Subject: Protest Update #2
Attachments: Freedom Rally Feb 4 4.jpg

Minister, Clerk, DM,

Approximately 80 vehicles are currently positioned on Memorial and Broadway between Kennedy and Osborne. Broadway remains open, albeit congested. Emergency routes on Assiniboine remain open at this time and WPS are monitoring traffic in the area. About 300 protestors and 15 counter protestors are on the street, but interactions have been largely peaceful. The intersection at York and Memorial is currently blocked, likely for the remainder of the day. This will impede court access and prisoner transport.

WPS is currently using an office inside the Legislature and they have deployed negotiators. WPS described the interactions with organizers so far as positive and productive.

Mike
